Dance To The Music

Getting In Line With the Friends of the Elderly

Like so many of the organizations throughout the tri-town area, Mattapoisett's Friends of the Elderly was conceived with an eye toward providing a forum for companionship and camaraderie.

It is this simple tenant of the group which has fostered one of its most popular events to date — the weekly Line Dancing sessions held at the American Legion Hall.

Founded last year by current Friends of the Elderly President Ginny Lubker, the event has become a mainstay for seniors throughout the area.

"I thought that women who are widowed or alone would be able to meet other people and make new friends (while learning the line dances)," said Ms. Lubker. "The response has been great and it has really worked out well."

During a recent visit to one of these popular Line Dancing sessions, a group of some 30 seniors were intent on following the moves of instructor Lee DeMoranville — a New Bedford resident and senior herself. Ms. DeMoranville led them through the steps to several popular line dances including the immortal Hully Gully and the more contemporary Electric Slide.

The group was prepped by Ms. DeMoranville as she walked through the steps and explained each turn without music. She counted out the motions: "one-two-three and *turn*," while the anxious students gave her their undivided attention — several while executing the steps on their own.

Then, the soundtrack was added and the ensemble mimicked the mentor in a scene reminiscent of classic ballroom dancing.

Now in its second year, Ms. Lubker is surprised at the popularity of the weekly event.

"We started it last year and it's been going very well," she said. "We usually get about 30 people every week ... mostly women, but we do have some men who attend with their wives."

And instead of limiting the event to Mattapoisett seniors, the Friends of the Elderly have graciously given an open invitation to any area senior interested in attending. For the nominal cost of $1 per session, seniors can be adept with all the latest dance steps.

"We didn't want to limit it to just (Mattapoisett), so we decided to open the sessions up to anyone from outside the town as well," Ms. Lubker said. "Right now we have people who come from Mattapoisett, Rochester, Marion, Wareham, Fairhaven, New Bedford, Acushnet, and Dartmouth."

Now that some time has passed, Ms. Lubker has noticed a marked improvement in many of the regulars' dancing styles. A regular attendee herself, she noted that some of her fellow line dancing friends have become rather good with each successive lesson.

"Most of the people we had for the first time last year had never danced before," she said. "They've improved an awful lot within a year's time."

Line Dancing sessions are held every Monday afternoon from 1:00 to 3:00 pm at the Florence Eastman Post American Legion Hall on Depot Street in Mattapoisett (off Main Street). Sponsored by the Friends of the Elderly, the sessions cost $1 per person and are open to all interested seniors.

The group will resume weekly meetings on Monday, January 9 after a brief holiday hiatus. Beginners are especially encouraged to attend and benefit from the exercise and friendship to be gained.

advised the board that any underground work which might need to be done on the road be completed prior to the resurfacing.

"Public service lines and/or any underground lines or structures that are in need of attention should be promptly repaired or replaced," he wrote. "After the new work is installed, no work will be permitted within the limits of the new hardened surface of the roadway, except emergency repairs or work that is otherwise absolutely unavoidable."

Secretary of State Michael J. Connolly next sent a memo to the board informing them about the new Motor-Voter Law which became effective January 2, 1995. Voter registration will now occur at the Registry of Motor Vehicles, at various state agencies throughout the Commonwealth, and via mail. The new system should be completely operational by the summer of this year.

Mary L. Padula of the Executive Office of Communities and Development (EOCD) sent notification to the board that up to $2 million in funding is now available from the Housing Stabilization Fund Soft Second Loan Program.

The program supports affordable home ownership through the acquisition, preservation, and/or rehabilitation of existing housing. In order to take advantage of funds currently available through this program, interested communities are advised to send a letter of interest and the approval of a local lender by January 31, 1995.

The Massachusetts Department of Revenue next set official certification of the town's free cash figure at $282,453. The town's other available funding amounts included $7,205 in the Waterfront Enterprise Fund; $815,734 in the Sanitary Landfill Fund; and $128,624 in the Water Enterprise Fund.

Mattapoisett resident Warren Falwell of Brandt Island Road next submitted a copy of correspondence he sent to the Massachusetts Community Antenna Television Commission regarding poor cable reception he's been receiving. According to Mr. Falwell, he has been getting "snow" on his television screen and was informed by Continental Cablevision that it was caused by faulty transmission from Commonwealth Electric.

"I would appreciate knowing if this is a correct assumption and what can be done to rectify the situation," he wrote in his letter.

Ms. Adams noted that she would contact the cable company and inquire as to what the possible cause of the problem is, and will also send a copy of the letter to them.

Under the Executive Secretary's Report, Ms. Adams noted that residents' discarded Christmas Trees will be picked up on Monday, January 9 beginning at 7:00 am. This is a one-time pickup and residents are advised to leave the trees, with the butt end facing the street, by 7:00 am that morning.

Ms. Adams also asked when the board would like to meet to review the proposed articles

for the February 13 Special Town Meeting. The Selectmen agreed to meet on Saturday morning, January 7 at 9:30 am (after their review of Center School) to discuss pending articles for the warrant.

Ms. Adams also scheduled a meeting with the Finance Committee at 7:30 pm on Tuesday, January 10, to review the articles on the Special Town Meeting warrant.

At 7:30 pm the board commenced a Public Hearing upon the application of Patricia E. Davis to transfer an All-Alcoholic Beverage Package Store License from Anne M. Mooney d/b/a Freddie's Package Store to Jacob G. Package Store, Inc. d/b/a Freddie's Package Store, located at 57 County Road. The second hearing was called due to a discrepancy in the name listed on the license.

The board unanimously voted to approve the license transfer as submitted and Ms. Adams advised the proprietors that the paperwork would be sent to the Alcoholic Beverage Control Commission (ABCC) for final processing.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:36 pm.

Mattapoisett Rescue Fund Shirts

This may be your last chance to purchase the limited edition 1995 Mattapoisett Rescue Fund t-shirts and sweatshirts designed by Jim Wheeler. The colorful red, white and blue design features an American flag on the back of the shirt in which the red stripes are comprised of the word "Mattapoisett" and the white stars against the blue field have been replaced with images of the Ned's Point Lighthouse.

A limited quantity of both the long-sleeved t-shirts ($12, or $14 for XXL) and the sweatshirts ($20, or $22 for XXL) are now available at the offices of *The Wanderer* (55 County Road, Route 6 in Mattapoisett) during regular business hours — Monday through Friday, 9:00 am to 3:00 pm. All proceeds from sales of the shirts will benefit the Mattapoisett Rescue Squad and their fund drive to purchase a new rescue vehicle.

Adoptable Animals

The local chapter of Animal Umbrella, Inc. would like to wish everyone a Happy New Year and thank those who have donated to their efforts this past holiday season.

The group's featured cat this week is an adorable cream and white long-haired petite female who's one and a half years old. She is timid until reassured and then is a real love. She is in foster care with adults, many cats and a dog.

This week the group also has a three- to four-year-old short-haired Calico who was recently abandoned and is living outdoors. She would love a

Although the town experienced two fatal accidents in 1994, the total amount of accidents has decreased over the past two years. In 1993 there were 114 total accidents investigated and/or reported, with a total of 224 in 1992.

These figures show a dramatic decrease for 1994 and the Police Department hopes this trend will continue in 1995. Every operator of a vehicle must be alert and watch other operators and pedestrians. Also, please continue to wear seat belts, as they do save lives.

HOW MANY DOLLARS DID YOU DEDUCT?

How many dollars did you deduct on last year's income tax return for mortgage interest? If the answer is NONE, read on.

Many career-minded people feel that a disproportionately large share of their income goes toward the payment of federal income taxes. Perhaps that's true for you also.

To simplify matters, let's say that you're in the 28% tax bracket. Do you realize that by owning your own home with payments of $800 per month, you might actually have an initial tax savings of up to $2,688 per year ($244 per month)? And with an $800 monthly payment, less a $224 monthly tax savings, you would have a new house payment of $576 per month! On top of that your house value should increase significantly each year.

If you feel you've been paying too much income tax and want to change that part of your life, call our office. With no obligation or cost to you whatsoever, we'll show you how to make that change -- painlessly.

Call **Bob at Fisher & Rocha, Inc., 758-6738** or stop by our office at 17 Fairhaven Road, Mattapoisett. **We're happy to help you!**

Fifteen of the essays were taped and sent to the Veterans of Foreign Wars post in Marion for judging.

The winners were all sophomores: Samuel Thomas III (first); Alison Fogg (second); and Abigail Howes (third). All winners will receive certificates acknowledging their accomplishments and cash

always wanted to experience the joy of performing beautiful classical music with a large chorus, this is your opportunity. As always, everyone who has sung with the chorus in past years will be welcomed back.

The second concert of the 1994-1995 season will include selections by Mozart, Haydn, Beethoven, Bach, Fauré, Thompson, and Gounod — as well as several great opera choruses. For instance, the chorus will perform Beethoven's "Allelujah" from *Judas Maccabeus*, the "Libera Me" from Fauré's *Requiem*, Bach's "Jesu Joy of Man's Desiring," and the "Sanctus" from Gounod's *Saint Cecelia Mass.*

Now beginning its 31st season, the 80-member Sippican Choral Society is under the direction of Peter West, with Corinne Peck as accompanist. The group performs at least two concerts every year, singing works by many of the world's greatest composers as well as lighter works from the musical theater.

This past December the Sippican Choral Society performed Haydn's *Missa Brevis* and Pergolesi's *Magnificat*, in addition to several shorter Christmas works ... while last year's Spring Concert included selections from 1980's Broadway hits.

New Bill Enters Second Year

As we enter the second year of the '93 Deficit Reduction Bill, the continued provisions of that bill will affect almost everyone to some degree. Higher income taxpayers are still the main targets.

Highlights of '94 Changes

PERSONAL EXEMPTIONS: The '94 exemption amount for each qualifying dependent is $2,450, up $100 over '93. These deductions start to phase out with adjusted gross income of $167,701 for joint returns, $111,801 if single, $137,751 for head of household and $84,851 if married filing separately.

TAX RATES: The two new top rates of 36% and 39.6% continue at the same income levels as in 1993. The 15%, 28% and 31% brackets start at slightly higher levels.

STANDARD DEDUCTIONS: Here are the new allowances for those who don't itemize deductions:

	1994	1993
Married Filing Jointly	$6,350	$6,200
Single	$3,800	$3,700
Head of Household	$5,600	$5,450
Married Filing Separately	$3,175	$3,100
Additional Deductions for:		
Married over 65 and/or blind ..... each	$ 750	$ 700
Single over 65 and/or blind ..... each	$ 950	$ 900

CAPITAL GAINS: The top rate is still 28% but this rate is cut in half for certain small company investments.

New Contribution Rules

No longer will a cancelled check suffice as proof of a cash contribution over $250. A new rule requires charitable organizations to provide written acknowledgement to the donor for amounts received over $250, or the organization must file an information return with the IRS reporting the transaction.

If you contribute to a charity on a regular basis but no single payment is over $250, it is acceptable, as long as by giving in this manner the intent is not to get around the $250 receipt provision.

If your gift consists of non-cash items the receipt must describe the items. The charity does not have to arrive at the value; the donor must do this.

Payroll deductions for example, to United Way, may exceed the $250 over a certain number of pay periods, but each deduction is regarded as a separate contribution. Giving to church on a regular basis is also okay, as long as the church provides quarterly or yearly statements.

Greetings

Of the Season
and Best Wishes for
the New Year

Other '94 Changes

NEW STANDARD MILEAGE RATES: For use of an automobile in business the new rate is 29 cents per mile, up from 28 cents. Charity mileage is still 12 cents and for medical purposes or moving the rate is 9 cents per mile.

SOCIAL SECURITY AND MEDICARE: The rate by which Social Security is deducted remains at 6.2% for employees and 12.4% for self-employed. The maximum income level for which these rates apply is $60,600 (up from $57,600). The Medicare rates are also the same at 1 45% for employees and 2.90% for self-employed but in this case the ceiling has been removed and all earned income is subject to this tax. The ceiling was $135,000.

SOCIAL SECURITY EARNING LIMITS: Those receiving Social Security income, can earn up to $8,040 if between ages 62 and 64, or up to $11,160 if between 65 and 69, without losing benefits. There is no limit on earnings after age 70.

Luxury Tax Repealed – Refunds Available

The luxury tax on jewelry, boats, furs and aircraft was repealed retroactive to 1/1/93. If you purchased one or more of these items and paid the 10% luxury tax, you should be entitled to a refund. The seller should be contacted. He is responsible to complete the necessary paperwork to obtain the refund. The 10% tax on luxury cars over $30,000 is still in effect.

Bad News for Traveling Spouses

The travel expenses of a spouse were generally deductible if they were for a legitimate business purpose. Not any longer. Starting with 1994 you cannot deduct business expenses for a spouse or family member unless he or she is an employee of the company paying the expenses.

The business traveler must still substantiate the business purpose, place, time and amount of the business expense. If you are self-employed, consider putting your spouse on the payroll if you travel together frequently on business.

Moving Expense Changes

Beginning with January 1, 1994, to qualify for moving expense the distance requirement is 50 miles instead of 35. In addition, the deductions for house hunting trips, temporary living expenses, home buying and selling expenses have been eliminated.

What can be deducted are the reasonable costs of moving household goods and personal effects as well as travel expenses including lodging, from the old to the new residence. Meals are no longer deductible.

The good news is that qualified moving expense reimbursements received from an employer are excludable from taxable income.

How Did You Do In '93?

How did you come out on your '93 tax return? As a result of the Deficit Reduction Act passed into law the latter part of 1993, two new higher tax rates of 36% and 39.6% were added effective for all of '93. This resulted in thousands of higher income taxpayers owing large sums.

For 1994 the problem should be corrected because new payroll withholding tables have been in effect since January 1. The results of your '94 tax return should be a good indication of whether you need to change your W-4 form with your employer.

If you owe more than $500 or have a refund coming of over $1,000, you may want to file a new W-4. Remember, you can claim as few or as many tax exemptions as it takes to come out as even as possible at year-end.

What Are Chances of an Audit

Less than 1% of all tax returns were audited in fiscal year 1992. For incomes over $100,000 the rate was about 5%. Business receipts over $100,000 reported on Schedule C, was 2%. The IRS has been dropping examination staff as a result of budget cuts.

Save Taxes By Shifting Income

With the new higher tax brackets, shifting income to family members with lower brackets could be TAX WISE.

Take the KIDDIE TAX as an example. This allows a child under age 14 to pay no tax on unearned income under $600 and only 15% from $600 to $1,200. Income over $1,200 would be taxed at the parent's tax rate.

For someone in the 39.6% tax bracket who shifts $1,200 of interest income to a child under 14, the savings would be about $385 in federal taxes alone. Even if a family member is over 14, it may still be a good move.

Pay IRS on Installment Plan

If you find yourself with a large tax bill and don't have the ability to pay it, you can work out payments on the installment basis. A new Installment Agreement Request form is the vehicle. The IRS has 30 days once the form is filed to approve the request. If granted you will be charged 7% interest plus a late penalty of 1/2 of 1% per month.

Good News About Mortgage Points

There has always been a question about deducting mortgage points. Previously, if points were paid by the lender, they were not allowed as a deduction by the buyer, but if the buyer paid them, they were allowed.

A new ruling now allows the buyer to deduct mortgage points regardless of who pays them, provided that the tax basis of the property is reduced by the amount of the points if paid by the seller.

The good news is that this ruling applies to home purchases beginning January 1, 1991. Therefore, if you acquired a mortgage since that time and you were nol able to deduct the points, you might be entitled to a refund. See your Tax Preparer if you think you qualify. An amended return could be filed.

IRS Is Not Always Right

If you receive a notice for additional taxes due from the IRS (or state), be sure you owe the tax before paying it. These notices are not always correct. In fact, they are often in error. Their computers compare documents and will make certain assumptions automatically that are not necessarily nght.

If you get such a notice, carefully review it. Be sure you understand the assessment. If you are not sure just what you are being assessed for, have your Tax Preparer check it. If you owe tax, take action promptly. You will incur additional interest if you wait beyond the stated grace period.

Alimony – Both Parties May Be Checked

Alimony payments are deductible by the paying spouse. The receiving spouse must report this as income on his or her tax return.

The IRS will cross-check to make sure that the amount reported as a deduction on one tax return shows up as income on the other. If there is a mismatch, both parties could be audited.

All divorce papers should be kept indefinitely, including separate maintenance agreements or other written documents that spell out the basis for the alimony and/or child support payments. Also, save all cancelled checks and receipts that will verify expenses for child support. There could be questions in the future as to who is entitled to claim the child as a dependent.

Take A Look At Last Year

Once you have gathered all your tax facts and materials for this year, and before you submit them for preparation, stop and look over your last year's copy. Compare this year with last year to make certain you have not overlooked anything. Be sure all W-2 and 1099 forms are accounted for. Check deductions to see how they compare and to assure you have not omitted anything. Before turning everything over to your Tax Professional, be sure you are fully prepared. If not, a change in your appointment may be in order.

If looking for a New job

If you are searching for a new job in your present line of work, the following expenses are usually deductible even if you don't end up with a job:

- ✔ Costs to prepare resumes and letters including typing, stationery and postage.
- ✔ Fees paid to employment agencies, recruiters and consultants.
- ✔ Advertisements in newspapers and trade magazines.
- ✔ Transportation to interviews including out-of-town lodging.
- ✔ Meals while out-of-town or entertainment related to the job hunt are deductible at 50%.
- ✔ In-town and long-distance telephone or fax expense.

These expenses combined with other miscellaneous deductions are subject to a reduction equal to 2% of your adjusted gross income.

Sippican School Council

Sippican's School Council, formed as a result of the Education Reform Act of 1993, is composed of community and school members. The purpose of the School Council is to involve parents, teachers and community representatives in school decision-making and to strengthen the bond between the school and the community they serve.

The School Council meets regularly with the principal of the school and assists in the identification of the educational needs of the students attending the school, in the review of the annual school budget, and in the formulation of a school improvement plan.

A meeting of the School Council was held on September 21, 1994. The newly-elected parent representatives serving a two-year term are: Carolyn Ogren and Sandra Smith. The newly-appointed members from the community are: Ellen Keogh and Cal Eames. Two new teacher representatives were also elected. They are Peter Farrell and Diane Cook. These individuals join a council consisting of co-chairs Barbara Burr and Mary Lou Hobson, and council members Marie Dupuis, Beth Van der Veer, Reginald Carter, Phyllis Kantarowski, Bill Brennan, Tricia Duane, Joe Mitchell, Sandra Kinney, and Sandra Delgado.

In June of 1994, the School Council developed the initial phase of a School Improvement Plan. The plan was accepted by the School Committee and the school's superintendent.

The School Improvement Plan revolved around a core value that states: Sippican School nurtures the capacity and desire for lifelong learning. The future goals, which revolve around the core value, include: Sippican School will define essential skills with the core curriculum and will expect all students to be proficient; Sippican School will create opportunities for all students to exercise intellectual curiosity; Sippican School will acquire current technology and will train all students in its use and applications.

This year the School Council will review the

the sun's vertical ray touched the Tropic of Capricorn that the Bowlmor Five finished touching up the Bowling Stones for two points at the Mattapoisett Bowlmor Lanes. Joe DaSilva led the Bowlmor Team with a 405, while Danny Scroth Jr.'s 363 was high Stone's score.

Ed Swift (394) directed Sturtevant and Hook to a two-point success over Boulevard Funeral Home and Bob Jefferson, who contributed a nice 440. Hartley Sawmill captured first place at the conclusion of the first half along with two points from a dapper Beaton Cranberry Team, sporting brand new cranberry red (what else?) bowling outfits. Mike Mann's 358 was high for the Cranberry Men as Louie McKay continued his assault on alleys seven and eight with a 468.
